

Letter of Experience

To Whom It May Concern,

This is to certify that Abdelrahman Faisal Abdallah Aldarayseh has been employed at Clinics Center from July 2021 to December 2022, and from February 2024 to the present, as a General Practitioner.

During his tenure, he demonstrated exceptional clinical skills, leadership abilities, and a strong commitment to patient care.

Abdelrahman has consistently displayed professionalism, expertise, and dedication to his role, notably serving as the Head of the Emergency Department. He has been instrumental in managing a range of critical cases with proficiency, including performing advanced cannula insertions and emergency interventions. His role also included mentoring junior physicians, fostering a collaborative and educational environment within the team.

His contributions extended beyond his regular duties, as he actively participated in volunteer programs such as the Free Medical Day organized by Clinics Center, where he offered his expertise in reconstructive and plastic surgeries.

We are confident that Abdelrahman's skills, experience, and dedication will make him a valuable asset in any future endeavor he chooses to pursue.

Should you require further details, please feel free to contact us.

Sincerely,

Rand Hamdan Almrehel

CEO
