PROFILE

Ambitious fresh medical graduate, hardworking and eager to learn. Dedicated and self-motivate, able to adapt quickly in any new environment. A positive individual with good team-working skills. Seeking a position in internal medicine in a hospital that provides me with the opportunity for growth, learning and helping people.

WORK EXPERIENCE

MEDICAL INTERN

Jordanian Royal Medical Services

July 2022 - present

- Shadowed qualified doctors and medical staff to gain an extensive understanding of best practices, procedures and medical terminology.
- Attended regular lectures and seminars to develop expertise on important medical procedures and best practices.
- Documented patient's history, examination and other relevant information in clinical records to help with better prognosis in future visits.
- Assisted in taking blood pressure, ultrasound, measuring heart beat and recording all vitals when needed.
