Professional Experience

University of Jordan Hospital in Amman
Intern Doctor

July 2023 — July 2024

As an Intern Doctor at University of Jordan Hospital in Amman, I am gaining valuable experience in providing patient care under the supervision of experienced medical professionals. I conduct thorough physical examinations, order and interpret diagnostic tests, and develop treatment plans for patients, ensuring their well-being and recovery.

- Conducting comprehensive physical examinations and medical histories to accurately diagnose and treat patients.
- Ordering and interpreting diagnostic tests to assist in the diagnosis and monitoring of patients.
- Developing and implementing evidence-based treatment plans tailored to each patient's specific needs.
- Effectively communicating with patients and their families, providing education and support throughout the treatment process.
