

## ABOUT ME

Compassionate, capable, patient-focused professional offering a high level of expertise, ambition, and drive to enhance the quality of patient outcomes in Emergency/Urgent Care. Repeatedly singled out by peers for improving patient satisfaction through a rich blend of medical expertise and laboratory excellence. Easily builds affinity and trust with people from all backgrounds, age groups, and life circumstances. Goal-driven individual with unmatched commitment, sound diagnostic and problem-resolution skills, and ability to remain calm and composed in the face of potential emergency and life-threatening situations. Follows code of ethics and protocol; highly accountable. Delivers uncompromising work ethic, positive bedside manner/demeanor, and positive communication skills in difficult situations.
