As a medical doctor aspiring to speciali

Professional Experience

CHU SIDI Bel Abbes

08/22 - 08/23

Medical Intern

As a medical intern, I successfully navigated rotations in pediatrics, internal medicine, general surgery, and gynecology. This multifaceted experience honed my clinical skills, from diagnosing and treating pediatric conditions to managing a spectrum of medical, surgical, and gynecological cases. It solidified my versatility and ability to provide comprehensive care across diverse medical disciplines.

Al Bashir Hospitals

07/21 - 09/21

Emergency Doctor Trainee

Emergency medicine trainee with expertise in rapid decision-making, trauma assessment, and acute care interventions. Proficient in utilizing emergency medical technologies and demonstrating effective communication in high-pressure scenarios. Dedicated to providing prompt and efficient patient care, skilled in teamwork, trauma resuscitation, and managing diverse urgent medical conditions.

Marka Speciality Hospital

01/24
