GENERAL INFORMATION AND OBJECTIVE

Name: Mamoun Azmi Saleh Algharaibeh

Date of birth: 28th Dec 1999

Nationality: Jordanian

Languages: Arabic (mother language)
English

Marital status: Single

My objective is to be granted admission into a graduate level physician, where I may build upon my knowledge of patient care and medicine.

EDUCATION

High school diploma | King Abdullah II School for Excellence

2011 – 2017

I have graduated from King Abdullah II School for Excellence which is located in Jordan/Irbid with a GPA of 91.7 and was honored by the school's principal.

Bachelors of Medicine | Jordan University of Science and Technology

2017 – 2023

I have graduated from Jordan University of Science and Technology with a GPA of 2.97 (good++).

Internship Year | Ministry of Health

2023 – 2024

I have pursued my post-graduate career doing my internship year in the MOH's hospitals in Irbid.

EXPERIENCE

Member | International Federation of Medical Students Association (IFMSA)

2017 – PRESENT TIME

I was a member at IFMSA-SCOPE (Standing Committee of Personal Exchange) and was responsible for offering clerkships to many medical students abroad.

U.S Clinical experience | United States of America - Illinois

Aug 2022– Oct 2022

I have done two hands-on clinical rotations in IM department each of 4 weeks' duration, first one took place in the **Swedish Covenant Hospital** alongside with **Dr. Milenko Lazarevic** and earned a letter of recommendation for it, and the second one took place in **RUSH University Hospital** under supervision of **Dr. Cedric Coleman**.
