

Diyaa Saleh

Profile:

First generation medical doctor, recently graduated and seeking a position of junior doctor to start my career and learn about new skills, in addition to increasing my knowledge and enhancing my personal growth. Enthusiastic and dedicated with a strong foundation in theoretical and practical aspects of medicine. Willingness to work with all members of the medical team and listen to their suggestions with the aim of maximizing patients' satisfaction. Interested in surgical specialities with special interest in Orthopaedics and Otorhinolaryngology.
