WORK EXPERIENCE

Research Collaborator Aug 2024– Present
New York Institution of Technology– Department of Biology

- Performing data analytic and writing tasks as a remote collaborator and volunteer at Dr.Hesham with the main focus of the lab is the physiology of metabolism and endocrinology and its dynamic changes under different settings through experimental trials
- topic research discussion on biweekly virtual meetings along with paper reviews

Medical Peer Reviewer**International Immunopharmacology Journal**

- unbiased evaluation of research paper and assessing a paper's quality and publishing acceptability.
- Providing constructive criticism to authors while maintaining their autonomy and independence.

Intern**Princess Haya Biotechnology Center (PHBC), Irbid**

Jul,2022–May,2023

- Training in PCR, DNA extraction, Sanger sequencing, ELISA
- Gel electrophoresis ,serological biomarkers,
- Immunofluorescence Assay (IFA), cell based assay, western Blot, southern blot

Co-founder of Jod charity (Nonprofit organization)

2022–Present

- Co founder of Jod non-profitable organization based in Jordan. Established in 2022. Concerned with launching campaigns to providing food and basic human necessities to refugees in need.
- Providing link and means of communication to licensed charities in Jordan and beyond.
- Head of Social Media campaign.
- Co-executive external relations committee.

Volunteered in the 48th summer camp for Orphans in Jordan– Orphan Welfare Association (OWA)– Baqa'a Suburb / UNRWA

25 Jul– 5 Aug 2023

- Attended Leadership Training and the 48th Annual Summer Camp at Amman Training College/ ANRWA for the period from 25/7/2023 to 5/8/2023 and has completed as Camp Doctor in Service Training period at the Summer Camp.

Intern**King Abdullah University Hospital (KAUH), Jordan**

Feb,2023–April,2023

- Clinical trainee at the department of Neurology for 2 months
- Trained on reading Neuroimaging
- Trained on the interpretation of EEGs and sleep studies
- Trained on taking full history and neurological physical examination as well as writing notes and monitoring vitals and delivered clear SOAP presentations

Clinical Elective Intern

Jan, 2023–Feb,2023

Cleveland Clinic Abu Dhabi (CCAD), UAE

- Clinical trainee at the Heart and Vascular Institution for one month
- Trained on the EPIC EMR, writing notes and placing daily orders and prescription refills
- Trained on using the ECMO and Echocardiogram
- Scrubbed and assisted in Cath Lab and EP physiology lab
- Trained on taking full medical history and physical examination and delivered clear SOAP presentations

Clinical Elective Intern

Dec, 2022 – Jan, 2023

Sheikh Khalifa Medical City (SKMC), UAE

- Clinical trainee at the department of Pediatric Surgery for one month
- Trained on taking full history and physical examination and delivered clear SOAP presentations
- Scrubbed in and assisted in multiple surgeries
- Trained on inserting NG-tubes, Follies catheters and Chest tubes
- Trained on Ultrasound

Lecturer

DOCademy

Jan, 2021– present

- Private tutoring of Physiology, neuroanatomy and physics for the second dentistry students
- Private tutoring of Pharmacology and Pathology for second year medicine students

Scientific Writer and editor at SCIGEN

May, 2020– 2022

- Translate and edit scientific articles in topics including medicine, astronomy and quantum physics
- Leader of the Social media team and in-charge of Graphic design, posters and infographics

Owner of PICKLESTONES, My Graphic design page

May, 2020– present

- I share and sell my art and designs in the form of Printed t-shirts, mugs, canvases and stickers through the Instagram page
- In a collaboration with Arab Pop Art shop
- I use Adobe Photoshop C6S and Illustrator in my designs
- I design and sell Journals and prompt templates
- I recently launched a “Dopamine Decoration” service in which the client sends their preferred aesthetic and Pinterest Mood board and we do room decorations and make designs to transform the room accordingly. This project aims to promote recycling and upcycling as well as budget-friendly interior design options.
