

How To Authenticate This Official Transcript from the Federation of State Medical Boards

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by the Federation of State Medical Boards, and this document is viewed using Adobe® Acrobat or Adobe® Reader, it will reveal a digital certification that has been applied to the program verification. This digital certification will appear in a pop-up or status bar on the document, display a blue ribbon, and declare that the document was certified by the Federation of State Medical Boards with a valid certificate issued by GlobalSign. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certification is valid, the document is authentic, and the contents of the document have not been altered

If the document does not display a valid certification and signature message, reject this document immediately. An invalid digital certification display means either the digital signature is not authentic, or the document has been altered. A document with an invalid digital signature display should be rejected.

If the document displays an “Author Unknown” message, then this can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority, or the revocation check could not be completed. If you receive this message, make sure you are properly connected to the internet. If you have an internet connection and you cannot validate the digital certificate, reject the document.

The current version of Adobe® Reader is free of charge and available for immediate download at <https://www.adobe.com>

If you require further information regarding the authenticity of this transcript, you can visit our website at <https://certs.fsmb.org>

United States Medical Licensing Examination® (USMLE®) Certified Transcript of Scores

This document was prepared by
Federation of State Medical Boards of the United States, Inc. (FSMB)
400 Fuller Wisser Road, Euless, TX 76039-3856 - Telephone (817) 868-4000

Recipient: TARIQ HAITHAM ABDELAZIZ
RAWASHDEH
701 10TH STREET SE
CEDAR RAPIDS, IA 52403

Date: 05/17/2024

Examinee: Rawashdeh, Tariq Haitham Abdelaziz
Alt Name(s): Abdelaziz Rawashdeh, Tariq Haitham

Examinee ID: 1-123-783-1
Date of Birth: 03/28/1998

Results for Steps taken by this examinee (and for which results have been reported to date) are shown below. For Steps that span more than one day, the test date reflects the day on which the examination began. Pass/fail outcomes are based upon the minimum passing level in place at the time of test administration and are not altered by subsequent revisions to the minimum passing level. Effective April 1, 2013, two-digit scores will no longer be reported. Test results reported as passing represent an exam score of 75 or higher on a two-digit scale. Step 1 examinations taken on or after January 26, 2022 are reported as pass/fail, with no numeric score; Step 1 examinations taken before January 26, 2022 will continue to be reported with a 3-digit score.

USMLE STEP 1

Test Date	Pass/Fail	Score	Minimum Pass	Comments
01/19/2022	Pass	232	(194)	

USMLE STEP 2

Clinical Knowledge (CK)

Test Date	Pass/Fail	Score	Minimum Pass	Comments
03/27/2023	Pass	277	(214)	

USMLE STEP 3

Test Date	Pass/Fail	Score	Minimum Pass	Comments
04/09/2024	Pass	236	(200)	

End of Exam History

NOTE: The USMLE Step 2 CS examination was last administered March 16, 2020. Examinees with a failing outcome may not have had an opportunity to retest. The USMLE defines successful completion of its examination sequence as passing Step 1, Step 2 CK, and Step 3.

NOTE: A search of the Physician Data Center of the Federation of State Medical Boards (FSMB) reveals no reported information on this examinee.

United States Medical Licensing Examination® (USMLE®) Certified Transcript of Scores

This document was prepared by
Federation of State Medical Boards of the United States, Inc. (FSMB)
400 Fuller Wisser Road, Euless, TX 76039-3856 - Telephone (817) 868-4000

Examinee: Rawashdeh, Tariq Haitham Abdelaziz

Examinee ID: 1-123-783-1

Date of Birth: 03/28/1998

INTERPRETATION OF RESULTS

USMLE transcripts include a complete examination history. On those Step examinations for which numeric scores are reported, a three-digit scale is used. Most scores fall between 140 and 260 on this scale. The recommended minimum passing score is shown on the front of the transcript next to the examinee's score for each administration along with a pass/fail outcome. Test results reported as passing represent an exam score of 75 or higher on a two-digit scoring scale. The level of proficiency required to meet the recommended minimum passing level for each USMLE Step is reviewed periodically and is subject to change. Such changes do not alter pass/fail outcomes from prior test administrations.

For examinations with reported scores, the Standard Error of Measurement (SEM) provides an index of the variation that would be expected to occur if an examinee were tested repeatedly using different sets of items covering similar content. The SEM is usually in the range of 4 to 8 points.

STEP 1 AND STEP 2 CLINICAL SKILLS (CS)

Step 1 examinations taken on or after January 26, 2022 are reported as pass/fail, with no numeric score; Step 1 examinations taken before January 26, 2022 will continue to be reported with a 3-digit score. All Step 2 CS results are reported as pass or fail, with no numeric score. Test results reported as passing represent an exam score of 75 or higher on a two-digit scale.

ANNOTATIONS APPEARING UNDER "COMMENTS"

Circumstances in connection with an administration shown on this transcript may result in one or more annotations listed next to the score. A description of each Comment is provided below:

Indeterminate - Results are at or above the passing level but cannot be certified as representing a valid measure of the examinee's knowledge or competence as sampled by the examination. No score is reported. Information regarding the nature of the indeterminate score is available. If such information is not enclosed with this transcript, it may be obtained by contacting the organization from which you received the transcript or the USMLE Secretariat, 3750 Market Street, Philadelphia, PA 19104, telephone (215) 590-9700.

Incomplete - The examinee sat for some, but not all, of the scheduled examination. No score is reported.

Irregular Behavior - The Committee for Individualized Review determined that the examinee engaged in irregular behavior. Examples of irregular behavior are described in the current edition of the USMLE Bulletin of Information. Information regarding the nature of the irregular behavior and the determination of the Committee is available. If such information is not enclosed with this transcript, it may be obtained by contacting the organization from which you received the transcript or the USMLE Secretariat, 3750 Market Street, Philadelphia, PA 19104, telephone (215) 590-9700.

Score Not Available - The score is not available. Further review and/or analysis may be pending, or it may have been determined that the score cannot be reported.

ANNOTATIONS APPEARING AS "NOTE"

Circumstances not in connection with an administration shown on this transcript may result in one or more annotations and an explanation or instructions to contact the appropriate individual or organization. The Note will appear at the end of the document.

PHYSICIAN DATA CENTER INFORMATION APPEARING AS "NOTE"

The Physician Data Center of the Federation of State Medical Boards (FSMB) contains actions reported to the FSMB by U.S. licensing and disciplinary boards, the U.S. Department of Health and Human Services, government regulatory entities and international licensing authorities. To be included in the Physician Data Center, an action must be a matter of public record or be legally releasable to state medical boards or other entities with recognized authority to review physician credentials. Certain actions reported to and released by the Physician Data Center are not disciplinary or otherwise prejudicial in nature. Such actions are reported to ensure that records are complete and to assist in preventing misrepresentation or the use of lost or stolen credentials by unauthorized persons. Once reported to the FSMB, an action becomes part of the permanent record of the individual physician, and the existence of such an action may be indicated on the USMLE transcript by a Note.

03/2015

This document was printed from a secure website and accurately reflects score information maintained by the FSMB.

Test Result
PASS

Test Score
277

Your Performance Compared to Other Examinees

The chart below represents the distribution of scores for a group of examinees from LCME-accredited US/Canadian medical schools taking Step 2 CK for the first time between July 1, 2021 and June 30, 2022. This information is provided solely to show your performance alongside a large group of recent test takers. Please note that your score is determined only by your performance on the examination. Reported scores range from 1-300 with a mean of 247 and a standard deviation of 15.

If you tested repeatedly under the same conditions on a different set of items covering the same content, without learning or forgetting, your score would fall within one standard error of the estimate (SEE) of your current score two-thirds of the time. The SEE on this exam is 8 points.

Your score +/- SEE: 269 – 285

TEST DATE: March 27, 2023

Your Relative Strengths and Weaknesses

The boxes below indicate areas of relatively lower or higher performance in each content area within the Step 2 CK examination. A box in the "Higher" column indicates you performed notably/meaningfully higher in that content area than your overall Step 2 CK performance shown on page 1. A box in the "Same" column indicates you performed similarly in that content area to your overall Step 2 CK performance. A box in the "Lower" column indicates you performed notably/meaningfully lower in that content area than your overall Step 2 CK performance. The percentage range of items from each content area on the Step 2 CK examination is indicated below.

This information can be used to identify areas of strength and weakness to guide future study. Because the exam is highly integrative, USMLE recommends reviewing all content areas if retaking the test.

Performance by Physician Task Relative to Your Overall Step 2 CK Performance

	(% Items Per Test)	Lower	Same	Higher
PC: Diagnosis	(34 - 46%)			
PC: Pharmacotherapy, Interventions & Management	(26 - 38%)			
PC: Health Maint, Prevention & Surveillance	(8 - 12%)			
Ethics/Professionalism	(5 - 7%)			
Systems-Based Practice/Patient Safety	(5 - 7%)			

Abbreviation: PC, Patient Care.
