To Whom It May Concern

This letter proves that Dr Ata'o allah Mohammad Attallah Altawaiha supervised the training, follow-up and coordination of the affairs of Intern Doctors at the Arab Medical Center Hospital throughout the duration of his work in the hospital, from Augst – 2023, including:

- 1) Preparing the work schedule and lectures.
- 2) Conducting morning rounds on patients and following them up.
- 3) Discussing medical cases with Intern doctors.
- 4) Training Intern Doctors on taking appropriate medical history and conducting full thorough physical examination.
- 5) Training Intern Doctors on communication skills with patients.
- 6) Following up on patients' management with Intern Doctors and Specialists.

your sincerely,

Dr. Saad Samarah
Chief Of House Physician
Intensivist and Surgeon
